

Preventive Vision Care Services

Covered Services

Member Copayment

Vision Examination

Complete analysis of the eyes and related structures to determine the presence of vision problems or other abnormalities (covers 1 examination every 12 months)

\$10

Exclusions

Cost of lenses, frames and/or contact lenses

Orthoptics or vision training

Medical or surgical treatment of the eyes

Services or materials provided under Workers' Compensation

Eye examination required as a condition of employment or by a government body

Low vision aids

Any charges for vision services not specifically provided

Charges for services which were undertaken prior to the Effective Date of coverage or after the termination of coverage

For vision provider locations, see reverse side.

Benefits are only available through a participating optometrist who has agreed to provide services to Health Plan of Nevada (HPN) Members. For a complete list of providers, hours and locations, contact LensCrafters Member Services Department at (800) 521-3606. Please refer to your HPN Preventive Vision Care Services Rider, Form No. HPN VIS PREV(1/93) (Group) or IHMOVISION98 (Individual), for additional information regarding benefits, limitations and exclusions. Copies of these documents are available upon request. Plan documents govern in resolving any benefit questions or payments.
